ARKETIPO / INDOOR

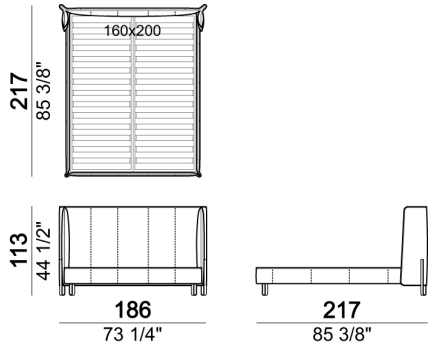

BED BIG NIGHT

designed by Mauro Lipparini 2022

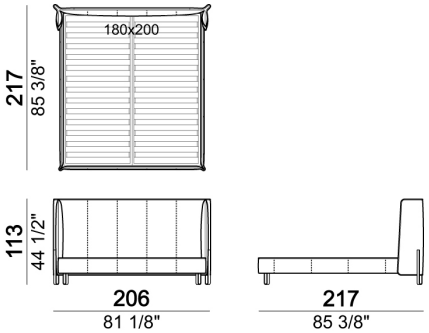

STRUCTURE: wood; slatted base.
UPHOLSTERY: multi-density expanded polyurethane foam covered with synthetic lining 180gr.
HEIGHT: 25 cm (slatted base), 35 cm (bedframe).
FEET: liquid burnished metal or varnished micaceous brown or oxy grey, h. 13,5 cm.
ATTENTION: the cover is not removable. In the leather version, the back of the headboard is produced in fabric collection Basmati (cat. B/C) with embroidery of "af" logo. As an alternative, the fabric can be replaced by the same leather of the rest of the cover, with extra charge. In this case, there is no logo embroidery. Also in the fabric version there is no logo embroidery.
