

ARKETIPO / INDOOR

SOFA LOFT

designed by Adriano Piazzesi 2003

STRUCTURE: varnished metal.

SEAT PADDING: non-deformable polyurethane of varied densities (T35; HR35-36; PK30; HD60) covered with synthetic lining.

ARM AND BACK PADDING: non-deformable polyurethane (PK30) covered by coupled 6mm synthetic lining.

CUSHIONS PADDING: cotton cover filled with mixed feathers.

SPRINGING: elastic belts.

SEAT HEIGHT: 36 cm

ARM HEIGHT: 54 cm

FEET: inox steel, h. 10 cm.

ATTENTION: the sectional units cannot be supplied as single elements. The version "capitonné" (quilted seat cushions) is available only in leather and eco-leather and in this case the covers are not removable. On request the units can be shipped disassembled.
