ARKETIPO / INDOOR

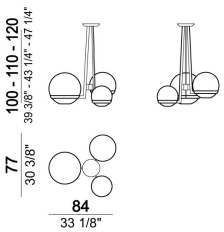

LAMP BUBBLE BOBBLE

designed by Gino Carollo 2017

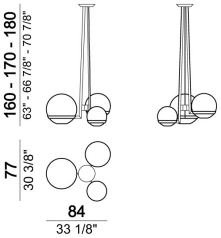

STRUCTURE: metal, finishes brass or titanium or varnished micaceous brown.
METAL PARTS IN VIEW: brushed brass.
LAMPSHADE: blown glass with shades from white to transparent or from smoked glass to transparent. Grey cable at sight. The uneven surface and edges are a characteristic of handcrafted glass and are not to be considered a defect.
No. 3 lamp holders E27 (220V) for bulbs max 60W each.
No. 3 lamp holders E26 (110V) for bulbs max 60W each.
ATTENTION: The suspension is height-adjustable. Bulbs not included.
