

ARKETIPO / INDOOR

# SOFA LOFT

*designed by Adriano Piazzesi 2003*

**STRUCTURE:** varnished metal.

**SEAT PADDING:** non-deformable polyurethane of varied densities (T35; HR35-36; PK30; HD60) covered with synthetic lining.

**ARM AND BACK PADDING:** non-deformable polyurethane (PK30) covered by coupled 6mm synthetic lining.

**CUSHIONS PADDING:** cotton cover filled with mixed feathers.

**SPRINGING:** elastic belts.

**SEAT HEIGHT:** 36 cm

**ARM HEIGHT:** 54 cm

**FEET:** inox steel, h. 10 cm.

**ATTENTION:** the sectional units cannot be supplied as single elements. The version "capitonné" (quilted seat cushions) is available only in leather and eco-leather and in this case the covers are not removable. On request the units can be shipped disassembled.
